

Corpus Christi University Parish
Wireless Internet Authorization Form & Terms and Regulations

Please read the following & fill out this form clearly as it will be used for communication purposes. Return this to a CCUP staff member to receive authorization.

Corpus Christi University Parish's wireless network allows Corpus Christi University Parish the opportunity to provide its intended community with non-critical, wireless connectivity, but only as a convenience and only with limited technical support. Corpus Christi University Parish's wireless networks are **not intended to be used for transmission of unprotected, sensitive information, nor by non-Corpus Christi University Parish's community members (including local businesses, pedestrians, or other members of the general public who are not currently authorized by Corpus Christi University Parish) who may be within range of the wireless network electronic signals. Corpus Christi University Parish has the authority and reserves the right to monitor and inspect all of Corpus Christi University Parish's network traffic, including Corpus Christi University Parish's wireless network traffic, for potential threats to the security of Corpus Christi University Parish's networks and Computerized Information Assets.** Authorized Corpus Christi University Parish Information Services personnel and automated tools may disconnect at any time, without notice, any connection to Corpus Christi University Parish's wireless networks or from a wireless network device that poses a threat to the security of Corpus Christi University Parish's networks or Corpus Christi University Parish's Computerized Information Assets. Also, Corpus Christi University Parish may block or restrict wireless access to inappropriate resources we are aware of (including some web sites) and all users of Corpus Christi University Parish's wireless networks are expected to behave in an exemplary manner (including conforming to reasonable norms of behavior, respecting the sensibilities and privacy of others, not disrupting or offending others, closing or stopping use of Corpus Christi University Parish's wireless services or resources if asked to do so, and more). **All users of Corpus Christi University Parish's network are to never share the access code at any time. This is to insure the most secure and reliable connections at all times. Failure to do so will result in removal of privileges.**

USERS OF CORPUS CHRISTI UNIVERSITY PARISH'S WIRELESS NETWORKS ARE RESPONSIBLE FOR THEIR OWN PROTECTION, USE AND ACTIVITIES - PLEASE BEHAVE APPROPRIATELY AND IN MODEL FASHION.
