# Alternative Spring Break: Romero Center Ministries

## What is the Romero Center?

“Romero Center Ministries is committed to the care and future of Camden, NJ and its people. We believe that our lives and journeys are inextricably linked to the lives of those around us, and we are compelled by faith to care for our brother and sisters. By participating in activities at Romero Center Ministries, you will walk in solidarity with the poor and heed Jesus’ call to serve ‘the least among us.’”

## Why Camden, NJ?

Camden is ranked the second most impoverished city in the United States. Through the Romero Center you will encounter this city first hand. This trip will immerse you into urban poverty and ask you to lend a hand to those who are most in need.

## How Much Does it Cost?

The cost of the trip is \$200.00 per student. This fee includes transportation, all meals, lodging, and a t-shirt!

## Why Should I Go on the Trip?

The Romero Center alternative Spring Break trip is unique. Not only will you experience poverty in a urban atmosphere, but you will encounter a center that is providing to the marginalized and the vulnerable.

We often focus on the problems and not the solutions. Volunteering at the Romero Center will cause you to look past the problem and be part of the solution!
