

Jamaica Mission Trip 2012

Jamaica Here We Come!

The Christian Service Program, in collaboration with the Jamaica Outreach Program, is pleased to host its second trip to Kingston, Jamaica. The purpose of this trip is twofold. St. Pius X Parish of Kingston facilitates an elementary school. Our first purpose is to prepare new students with school supplies and a medical examination. The majority of our time will be spent assisting a professional medical team in the examination of close to 200 students. The second purpose of the trip is to aide St. Pius X Parish in its upkeep and maintenance. Along with our hard work we will spend time encountering Jamaica and creating lasting relationships with the people of Kingston.

This is bound to be an experience you will never forget! If you have questions please contact the Christian Service Program at 419.531.4992 or broberts@ccup.org
