Diocese
of Toledo

On Sunday, April 22, 2018 the Catholic Church throughout the world celebrates the **World Day of Prayer for Vocations**. The purpose of this special day of prayer is to fulfill publicly the instructions of Jesus who said: "The harvest is abundant but the laborers are few; so ask the master of the harvest to send out laborers for this harvest." (Matthew 9:37-38) Please pray in a special way on this day for a renewed spirit of generosity in our community, so that we may all follow in the example of Jesus, the Good Shepherd, who dedicated his life to serving others.

Please remember to return your filled baby bottle as you enter church **this weekend!** If you didn't take a baby bottle, you can make an online donation by visiting:

Thank you for your support of Heartbeat of Toledo!

FEEL AT HOME

AT CORPUS CHRISTI UNIVERSITY PARISH we want our students to "feel at home." We want to not only be a resource for spiritual growth, worship and reflection, but also a place where you'll gather and meet great friends, have great times and gather great memories that will last a lifetime. Our community is welcoming and supportive. Our two student organizations - CSA (on Main Campus) and Newman Club (at the Health Science Campus) have many resources to support student life at the University of Toledo.

Dear Corpus Christi Parishioners,

This weekend we are proud to recognize the students of our parish who have completed four years of participation in our Christian Leadership Program (CLP). CLP is a four-year scholarship program that provides theological and spiritual formation to students of the University of Toledo.

The investment you have made in CLP has helped form the lives of future leaders who are now empowered to live their faith in their careers, in their families, and in their parishes. If you would like to learn more about how to support CLP please contact me. I am convinced that CLP is one of the most effective and important programs our parish provides to the University of Toledo community. I invite you to take a moment to read how your support has positively impacted this year's CLP class.

Gratefully,
Fr. Jeremy Miller
Director, Christian Leadership Program

“The Christian Leadership Program has provided me with a strong theological foundation that I will use as a basis for all my future endeavors. This opportunity has taken my beliefs and faiths to a new height that will last a lifetime. I am very grateful for all this community has given to me and I give all of you my sincere thanks and lifetime of support.”

- **Christina Dicola (Pharmaceutical Sciences, CLP Class of 2018)**

“CLP has grounded me in my faith through college and has given me the opportunity to learn more about my religious beliefs.”

- **Meghan Oberle (Recreational Therapy, CLP Class of 2018)**

The University of Toledo Christian Leadership Program

Learn. Pray. Serve. Lead.

“The Christian Leadership Program has provided me with invaluable tools and guidance throughout some of the most challenging times in my life. Beyond the skills and knowledge I have gained from the program, the most beneficial element of CLP has been the community of like-minded servant leaders that have come together to help and support each other in their mission to build up our community and the Church.”

- **Janey Piaskowski (Civil Engineering, CLP Class of 2018)**

“The Christian Leadership Program (CLP) has provided me with intellectual and spiritual nourishment throughout a time when I was discovering my own ability to be a force for change in the world. I am undoubtedly more prepared to be a servant leader due my time spent with the Christian Leadership Program at Corpus Christi.”

- **Quinton Babcock (Economics, Disability Studies, & Mathematics, CLP Class of 2018)**

“The CLP Program didn't just help the financial burden that college provides, but also allowed me to continue on in my faith development during a pivotal part of my life. This program has taught me more in 4 years than most get in a lifetime. For that, I am eternally grateful.”

- **Zachary Gibbemeyer (Exercise Science, CLP Class of 2018)**

“The CLP program has not only allowed me to continue learning about Catholicism, but provided me an outlet to live and express my faith. In the process, we have practiced skills such as communication and constructing logical arguments, served the Toledo community, and made friends in a Christ centered setting.”

- **Kristin Sutor (Business Administration, CLP Class of 2018)**

“CLP has provided me with a stable platform in which to explore and better understand my faith. While being in the program I have grown both as a Christian and as a leader and for that, I am forever grateful.”

- **Kelsey O'Brien (Psychology, Class of 2018)**

“CLP has given me the chance to deepen my faith life, while providing me the tools I need to integrate God in every aspect of my life. This program has not only allowed me to strengthen my relationship with God, but build great relationships within my community that had led to some of my greatest college memories.”

- **Ryan Kagy (Accounting, CLP Class of 2018)**

“I have been involved in countless organizations on campus and held many leadership roles through my time at UT, but the Christian Leadership Program has been the most valuable to me. The skills I learned and the experiences I gained are priceless and will be something that I will be something that I will carry with me through my everyday life as a person, as a Christian, and as a teacher. I can't express how much I enjoyed being a part of the CLP program.

- **Brittany Layden (Adolescence Young Adult Science Education, CLP Class of 2018)**
