From the Pastor...

I wanted to inform you of a few changes around the facility this summer. With all of these changes, I have thought deeply about them and consulted the necessary parties to ask for their input.

1) The pastor's office moving to the parlor - many of you have already seen this move. The goal of this was simple - **accessibility**. I am a big believer that having an open door policy for permanent community and students to simply stop in and talk is key to building community. I experienced last year that many new students are intimidated by the office set up and how to find the priest or staff they are looking for. This decision was confirmed for me when I asked a group of students to help me move the furniture from Monsignor's old office to the parlor. Not one of these sophomores or juniors had ever been past the secretary's office and didn't even know that we had offices!

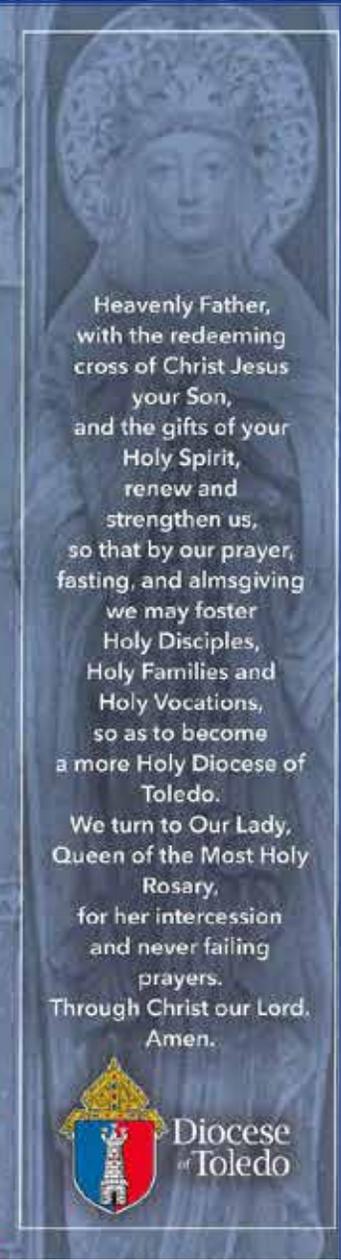

2) Kim Myers (Kunkle now!), our campus minister, will be moving her office to the DeBenedetti Room - Similar to the move of my office, Kim and I both think that our accessibility to the students is the key to our ministry. Thus, having both of us on the same side of the building with the Newman rooms and the Zak lounge is important for achieving that goal. The dedication to Dr. DeBenedetti will remain; it will simply serve practically as the campus minister's office. I received the support of Dr. DeBenedetti's son, the input and support of the Pax Christi group that meets in the room, and the encouragement of the students. There will be some practical logistics that will need to be addressed with the food and clothing drives that generally take place in that room, but Pax Christi and CSA have agreed to work with me on those issues. We will keep you updated on those practical changes.

3) Reorientation of the Daily Mass/Crucifixion Chapel - It's always a good problem when too many people are going to church! That is the situation we found ourselves in for a number of daily Masses last year, particularly with the student Mass on Tuesday nights. Due to this, we will be reorienting the chapel to increase seating capacity and thus make it more conducive to a larger crowd. To add seating, we will be using some of the chairs along the back wall of the church.

I know change is always difficult. I hope you understand that I only make these changes with deep thought and consultation with others. There may be one other slight facility change, but I'm waiting on some details to report to you, so I will keep you posted. If you have any concerns about these changes, or things that I may have overlooked, please feel free to discuss those with me.

Thanks in advance for your flexibility.

Fr. Jeremy

Heavenly Father,
with the redeeming
cross of Christ Jesus
your Son,
and the gifts of your
Holy Spirit,
renew and
strengthen us,
so that by our prayer,
fasting, and almsgiving
we may foster
Holy Disciples,
Holy Families and
Holy Vocations,
so as to become
a more Holy Diocese of
Toledo.
We turn to Our Lady,
Queen of the Most Holy
Rosary,
for her intercession
and never failing
prayers.
Through Christ our Lord,
Amen.
