Heavenly Father,
with the redeeming

your Son,
and the gifts of your

renew and
strengthen us,
so that by our prayer,
fasting, and almsgiving
we may foster
Holy Disciples,
Holy Families and
Holy Vocations,
so as to become
a more Holy Diocese of
Toledo.
We turn to Our Lady,
Queen of the Most Holy
Rosary,
for her intercession
and never failing
prayers.
Through Christ our Lord.
Amen.

Happenings this Summer

Though the summer pace is slower at Corpus Christi due to many students being gone, there are still a number of activities and events that our staff and students participate in:

- The CSA core board, with Kim and I, led a retreat/planning overnight in Port Clinton for our newly elected members of Newman board.
- Kim and our students have been hard at work staffing the over 20 rocket launches, which are the orientation days for the incoming freshman or transfer students. We provide at our booth information on CCUP and CSA and already have received contact emails from over 100 students. Thanks to Kim and our students for their dedicated work!
- I have sent out around 150 letters to incoming freshman whose contact information we have received at Rocket Launches and through other resources.
- Dr. Sharon Gaber, the president of the University of Toledo, visited Corpus Christi on June 28th with her chief of staff Matt Schroeder. They were here for over an hour and were very interested and supportive of the services we provide for students.
- Permanent community members, under the leadership of Mike Cunningham, served dinner on Thursday, July 12th to the UT football team, which started with a talk and prayer I offered for the team on the field.
- Kim and 5 students helped with a spring clean up at Helping Hands of St. Louis.
- Myself and 10 students helped with a spring clean up at the Visitation Monastery.
- About 25 students participating in Bible studies and book studies at CCUP
- Currently, two students are in the Philippines on a FOCUS mission trip

As you can see, the pace slows down, but we try to keep busy. It's the only way I stay out of trouble! We know that in a month, the quiet and the slower pace will be gone!

As I mentioned in the bulletin last week, I was waiting on some details to announce another facility change this summer. **We have decided to make the Blessed Sacrament Chapel 24/7 accessible** - It struck me as a little strange in my first year that our students have 24/7 access to the Newman Rooms and Zak Lounge for study and recreation, but not 24/7 access to a place to pray. I received a number of requests from students last year that they have access before we open at 11am and after we lock up at 5pm for a place they know will be open for prayer. Thus, we will be installing a keypad on the doors outside the Blessed Sacrament chapel that will have the same code as the keypads to enter the Newman Rooms. The doors at the end of that hallway leading to the Gathering Space will be secured with locking bars to enable those doors to be locked at night. The alarm, of course, will be disengaged in that part of the building. This change is not just for students, however; it is to guarantee for our parishioners, permanent community members and students alike, that outside office hours, there will always be a place to pray in front of the Blessed Sacrament.

Let us grow together in the love of Christ,

Fr. Jeremy
