From the Pastor...

Thanks for a Great Year!

Friends, the 2018-2019 year has been full of incredible experiences and growth for our permanent community and students!

Our student numbers continue to increase, and their engagement at CCUP and on campus is inspiring. Our CLP program continues to form well-equipped and passionate Catholic leaders. The outgoing Newman Board did an outstanding job in leading CSA, and I have no doubt that the incoming group will continue the momentum.

The Permanent Community, too, has grown this year. I have enjoyed getting to know over 250 of our Permanent Community at my apartment meet and greets! There have been great experiences with students - the Mentoring Mixer, the Backyard Mission Trip, the CCUP Mixer, student dinners, and many other shared experiences. We celebrated the 20th anniversary of the building with some wonderful events - David Haas concert, a concert with Luke and friends, and lecture by Fr. Bacik, and the Symphony. We have also tried to continue to grow our spiritual and educational opportunities for the Permanent Community, with Bible in a Year, as well as the Advent and Lenten Evenings of Reflection.

Let's thank God for all the blessings of this year. May the seeds we have planted be brought to completion by the one who ultimately causes our growth.

Looking forward to what 2019-2020 brings!

Dear Corpus Christi parishioners,

This weekend, we are proud to recognize the students of our parish who have completed the Christian Leadership Program (CLP). CLP is a four-year scholarship program that provides theological and spiritual formation to students of the University of Toledo.

Here is just a sampling of what our 4th year class thinks of their experience:

"The Christian Leadership Program has provided me with opportunities to strengthen my foundation in theology and to grow as a servant leader. CLP has given me the tools to live out my faith for years to come by guiding me through my journey at the University of Toledo. I am sincerely grateful for all that this community has given me!"

Maureen Hickey (Bachelor of Science in Pharmaceutical Sciences, Spring 2019)

"CLP has been an amazing experience. Personally, experiencing Father Phil and Father Jeremy as our teacher has been wonderful and beneficial. I went to a Catholic school for 12 years before college, and I can honestly say I have learned more in the CLP program. CLP has been one of my favorite experiences in college and has truly strengthened my relationship with God."

Hannah Saunders (B.S. in Mechanical Engineering, Fall 2019)

"CLP has allowed me to continue growing in my faith throughout college, and I will be forever grateful for all that I have learned and all the memories that I have made over the past 4 years."

Alysa Langenderfer (Speech Language Pathology, Spring 2019)

Thanks for all your support of the CLP Program!!

Fr. Jeremy

FEEL AT
HOME

AT CORPUS CHRISTI UNIVERSITY PARISH we want our students to "feel at home." We want to not only be a resource for spiritual growth, worship and reflection, but also a place where you'll gather and meet great friends, have great times and gather great memories that will last a lifetime. Our community is welcoming and supportive. Our two student organizations - CSA (on Main Campus) and Newman Club (at the Health Science Campus) have many resources to support student life at the University of Toledo.

A Year for the History Books...

When preparing for this year, no one was expecting the incredible experiences that were to come throughout the 2018-2019 academic year. Now that it is wrapping up, it's time to look back, celebrate our accomplishments, and express gratitude to those who have helped guide our mission (to serve as the presence of Jesus Christ at the University of Toledo) and impact the campus like we never have before!

Our year began unbelievably strong with our annual fall outreach finding nearly 1000 students with events like the volleyball tournament, golf-carting, and capture the flag. The new class of freshmen in CSA is arguably one of the biggest, most faithful, and closest groups that our organization has ever seen. With their passion and courage, the Catholic Student Association will only continue to grow as the presence of Christ at UT.

Through a variety of new events and different spins on old favorites, the Newman Board was able to facilitate authentic friendships between students and permanent community members. Bridging the gap between the permanent community and the students was one of the many goals CSA had this year, and the CCUP Mixer and Backyard Mission Trip helped bring our parish closer. In the fall, the Religious Committee had over 100 students adventure down to Hocking Hills on our retreat. This inspiring and moving retreat was the biggest and most impactful CSA had ever seen. The Education Committee had a diverse group of speakers educate our members this year between bringing in the Culture Project, Father Jeremy, and even Zach Brown, a seminarian of the Toledo Diocese. The Social Committee surprised everyone with CSA's first Gala - or formal dance. The proceeds from the formal dance were donated to RockeTHON. The Sojourner Committee held many new events, but most notably, they made over 1,500 pizzas at Campus H.E.A.T. and had record breaking attendance.

CSA's presence also increased dramatically on campus throughout the year. In the fall, CSA had an amazing homecoming weekend. Our float was phenomenal, and CSA had its first ever Homecoming King and Queen crowned. The year continued with many successes like participation at Relay for Life, Wrap up Toledo, and BIG Event. CSA was honored by UT Athletics as one of five student organizations across campus who have a positive impact at UT. We were sponsored through a promotion and received a monetary donation.

Corpus Christi and CSA started the Spring semester off with world-renown, chastity speaker, Jason Evert visiting campus. Jason brought students from all over the university to hear a message so critical for our college students. CSA's partnership with FOCUS also grew this year with the missionaries taking a group of about 60 students to SEEK 2019 in Indianapolis.

Our year in the classroom was also very impressive with our members being recognized by honor societies across campus including Lambda Sigma, Mortar Board, and Blue Key. The Catholic Student Association brought home its third consecutive 1st place Songfest trophy by presenting the biggest group in history to perform on the stage while raising money for a worthy cause!

Our year for the history books was complete with the highest honor an organization could receive on campus. CSA received the 2019 Outstanding Student Organization of the Year award. This award solidifies CSA's presence as one of the most impactful student groups on campus! It speaks to the content of our member's character and faith this year. CSA would like to thank our seniors who are graduating. They have poured their hearts into making CSA the quality it is today.

As we close the year, I would like the chance to thank the entire CCUP community, our advisors, Kim Kunkle and Fr. Jeremy, as well as each of our students for making this such a transformative year of my life. Without every person playing their part, so many of us wouldn't be able to call the Catholic Student Association our home away from home.

In Christ,

Jared Malott

2018-2019 Catholic Student Association President
