There's No Place Like Home

Friends,

Our second reading and gospel this weekend drive “home” the image of the “house.” We are called to build up the foundation of our own “spiritual houses” and to look forward to the room prepared for us in the heavenly “house.” I have to admit that I have mixed feelings about house imagery right now. On the one hand, for those of us privileged to have places to reside in, they represent during this pandemic a place of safety and refuge from the intimidating outside world. On the other hand, we might feel quite cooped up and tired of our houses during this lockdown. Maybe our houses look the cleanest they’ve ever looked or maybe they’re a disaster because of all our unfinished projects. No matter how you feel about your house right now, we are reminded today that the Holy Spirit wants to build us into a spiritual house where the love and peace of God resides. Further, Jesus wants to assure us that we all have a heavenly room in the Father’s house reserved just for us.

God Bless you during this trying time,

Fr. Jeremy Miller

Coronavirus Update

Liturgical

On April 28th, Bishop Daniel E. Thomas, in union with the Bishops of Ohio, extended the temporary suspension of all publicly celebrated Masses/liturgies at least through and including Friday, May 29th. The Bishops of Ohio dispense the Catholic faithful who reside in their respective dioceses and all other Catholics currently in Ohio from the obligation of attending Sunday Mass during this time period.

The hope is to return to public Masses for the celebration of Pentecost on May 30/31. Details to come over the next few weeks on how we are preparing the church for a safe worship experience.

CCUP's 11AM Mass will be livestreamed each weekend and can be found on Facebook or the parish website (ccup.org/live).

Live streams will continue after public Masses resume for the sake of those who need or prefer to stay home.

Virtual Spiritual Opportunities for Next Week:

Monday - During the day, Father Jeremy will post a video on CCUP's Facebook page (**linked later to the website*) detailing both spiritual and practical points of reflection.

Lucas County Emergency Support

<https://donatetlc.org/> was created to be a central point of contact for all donations in Toledo-Lucas County, Ohio, and there are many ways you can give to those in need.

Can You Lend Your Time & Talent?

We have a great group already working on preparations for these events. However, we would love other interested parishioners to join the committees working on planning these events. We can use help with such tasks as

- Event planning
- Promotion/publicity
- Alumni and permanent community outreach

If you would like to learn more about how you can help or are interested in plugging in to one of these groups, contact Pastoral Council member Mark Tooman at mctooman@buckeye-access.com.

A Year to Remember

When preparing for this year there was no way we could have expected all that was about to happen. Now that it's wrapping up, it is time to look back and celebrate all that we have accomplished and to thank everyone who's helped us along the way. Especially those who have helped guide our mission to impact campus successfully again this year.

Our year began unbelievably strong with our annual **fall outreach** finding nearly 1000 students with events like our volleyball tournament, golf carting and capture the flag. I'm extremely excited to see what the new freshman class will do within CSA. Their dedication and faithfulness will definitely thrive in the years to come.

Through a variety of new and old **events**, the Newman board was able to facilitate authentic friendships between new and old CSA members. **The social committee** hosted a family weekend brunch for students and their families. While the **religious committee** hosted our biggest Hocking Hills retreat yet. The beautiful landscape enabled deep and meaningful relationships to be formed.

The **sojourner committee** headed downtown multiple times throughout the school year to help serve either with the Community Picnic or Just Pancakes. **Education committee** co-hosted an event to facilitate discussions between the Muslim Student Association and Hillel, the Jewish student organization, and CSA of course. The event opened our eyes to the similarities and differences between the different faiths.

Students were able to continue their **spiritual growth** throughout the year. Over 40 students headed to Phoenix, AZ to attend SLS20, an annual campus ministry conference. The religious committee also hosted Men and Women's retreats this spring. I know students, including myself, were impacted by both events.

Although our time in Toledo was cut short this spring, we were able to make plenty of memories in the first half of the semester. Over forty students were able to give back on an **alternative spring break trip** to either Florida, Kentucky or Peru. We also prepared to sing and dance in the Songfest competition, which would have been an amazing performance!

I would like to thank the entire CCUP community, our advisors, Kim Kunkle and Father Jeremy, -as well of each of our students for making this such a transformative year of my life. Without every person playing their part so many of us wouldn't be able to call this Catholic Student Association our home away from home.

In Christ,

Alyssa Siefring

CSA President, 2019-2020
