## • **Christian Leadership Program** •

Dear Corpus Christi Parishioners,

This weekend we are proud to recognize the students of our parish who have completed four years of participation in our Christian Leadership Program (CLP). CLP is a four-year scholarship program that provides theological and spiritual formation to twelve selected students in each class at the University of Toledo.

The investment you have made in CLP has helped form the lives of future leaders who are now empowered to live their faith in their careers, in their families, and in their parishes. I am convinced that CLP is one of the most effective and important programs our parish provides to the University of Toledo community. I invite you to take a moment to read in the following pages how your support has positively impacted this year's CLP class.

Gratefully,

Fr. Jeremy Miller

Director, Christian Leadership Program

It has been such an amazing blessing to be a part of CLP with this group for the past four years. Seeing the growth in understanding of ourselves, the Church, our faith, and how to be a Christian leader in today's world has been inspiring and has **set the course of our lives in the right direction.**"

**Eric Macsay** | Electrical and Computer Science Engineering | CLP Class of 2021

The Christian Leadership Program has been one of the biggest blessings of my life. It gave me a platform to continue my faith journey and provided me with **a strong community of fellow students** who are striving to grow both spiritually and intellectually."

**Jacob Scally** | Mathematics Adolescent and Young Adult Education | CLP Class of 2021

The Christian Leadership Program has given me the tools to shine the face of Jesus in my everyday life to those I encounter, especially as a future nurse. **Without this program, I am not sure I would have grown into the person I am now:** a leader full of knowledge and joy for the faith. The lessons, knowledge, and relationships formed from this opportunity are priceless and something I will be grateful for the rest of my life."

**Kathleen Bushart** | Bachelor of Science in Nursing | CLP Class of 2021

In the Christian Leadership Program, we **discussed a number of relevant topics** that helped to unveil the goodness, beauty, and truth of our faith. I learned that it is our mission to live a virtuous life and inspire others to do the same."

**Matthew Szymanski** | Bachelor of Science in Electrical Engineering and minor in Entrepreneurship | CLP Class of 2021

It has been a true blessing to be a part of CLP the past four years. This program has allowed my relationship with God to flourish and has instilled in me the desire to not only participate in my faith but **be a leader in my faith** as well."

**Allyson Hill** | Bachelor of Science in Nursing | CLP Class of 2021

**CLP proved to be one of my favorite collegiate experiences** because of the numerous memories made with my class, the deepening of my faith, and the leadership skills I learned throughout my four years."

**Mackenzie Dolacki** | Bachelor of Science in Nursing | CLP Class of 2021

CLP challenged me to **grow as a leader** and helped to deepen my faith through good discussion among my classmates and Fr. Jeremy."

**Justin Goedde** | Electrical Engineering | CLP Class of 2021

“ My CLP experience was.... educational and wild. I learned so much from this experience and felt the love of my catholic community through the **generosity of the permanent community**. I think we all know where the wild part comes from... cough cough Father Jeremy??”

**Emma VanWinkle** | Bachelor of Business Administration, degree in Professional Sales and a minor in Finance | CLP Class of 2021

“ The Christian Leadership Program has been so beneficial for me in countless ways. This program has **helped my faith to flourish**, created friends and memories that will last a lifetime, and aided me in truly connecting with my community. Being a member of this amazing group has contributed so much joy to my soul and I am so blessed to have experienced CLP during my college years!”

**Abby Szymanski** | Biology Major, Pre-Med | CLP Class of 2021

“ CLP is not just a scholarship program; it is also a community where like-minded college students can grow in the faith together and **deepen their understanding of why we believe what we believe**. I am very thankful to be a part of this program and I will never forget the memories we made!”

**Daniel Patricio-Agosto** | Bachelor of Sciences in Biology with a minor in Chemistry, Bachelor of Arts in Spanish | CLP Class of 2021

“ The Christian Leadership Program was an amazing opportunity for me. I have had the opportunity to not only strengthen my faith throughout my college career, but also better understand myself and who I can and want to be. I am truly blessed to have been a part of CLP over the past four years and **hope to take all I have learned about the faith and leadership out into the world** after graduation!”

**Andrew Hartley** | Marketing and Business | CLP Class of 2021

“ The Christian Leadership Program has helped me continue to strengthen my Catholic faith through college and prepare me for life. This program has showed me **how to continue to lead in my church and in my community**. I'm very thankful for the opportunity to be a part of such a great program that has taught me so much and provided me with a faith filled community during my college years.”

**Madalyn Lehman** | Accounting and Information Systems | CLP Class of 2021

**Congratulations CLP class of 2021!**
